

UK PRAXIS

Spring Collab | Y1
April 1 Deerpark NY

If you feel an irresistible pull to grow yourself and others in a way that challenges and changes the status quo

this is your moment

This is your invitation to step out.

we are your people

If you know the path before you will require spiritual depth, a new level of artful action, and a radical new paradigm,

this is your call

April 1 2023 | 9AM-9PM

What is UK|Praxis? We are a community of practice for inspired change agents.

Spring Collab | Y1

is your invitation to live out your highest potential in a transformative community of practice. We'll share a foundational interactive experience to incubate our missional communities, transformational movements, or disruptive/organic innovations.

Who should come? We're inviting inspired change agents of all types, flavors, and walks of life. You should be either practicing or aspiring to do something transformative and holistically good.
